Sorry

Just tried to make up the work yesterday –

including going about 1.5 hours each way to meet a policy holder.

I will keep it under 8 hours unless specific reason.

If you need one for yesterday--- 3665489

You can see in the claim file the text messages I sent and time
And also when I sent email back to AD...

For me the tough part is I can't always just work extra half hour or so each day due to family obligations, etc.....

so when I can work overtime I need to go long hours....to make up for normal....trust me if I could just work 7.75 and be done....i would like that.

I understand that means I may need a plan in place or whatever they call it---but I personally don't think it is me, I think it is the system....but bottom line I won't go 9-10 hours....

thanks

Good afternoon

I know that many of you are working extra hours to work your pending but if you are working over 8 hours in one day, you need to discuss with me prior to working the extra hours.
I see some of you are working 9 or 10 hour days. You just cannot sign in and out for these hours without prior approval.
Thanks
